Clues:

One dragon grew bolder after all his friend's dares
And went to the booth with the fine witch's wares.

One dragon hoped, with a heart bright and clear
To find a place she could learn how to Cheer!

One dragon hoped to find treasure of yore
When he heard of a dungeon nearby to explore!

One dragon loved music and was eager to play
Some very fine instruments that very day!

One little dragon was shouting "Avast!"
As he ran towards the cannons and a towering ship's mast!
