

# DRAGON ADVENTURE FREE TO PLAY!

Five little dragons have come here to play,  
In the Vale of Dunrose on a bright festive day!

They journeyed to visit King James, wise and grand,  
But somehow got lost as they wandered the land.

Now go forth and explore all the wonders and flair,  
You will find at the Oregon Renaissance Faire!

## Clues:

**Soot** felt daring and set off to ask,  
"Where can I find a **fine leather mask**?"

**Orfie** followed the signs and **well-trodden** clues,  
And found a pair of finely crafted **leather shoes**.

**Blaze** went seeking a **clay-covered cup** he could use,  
So he followed the signs to the **Goddess** with a **peacock sign** clue.

**Snort** heard sweet rhythms he couldn't refuse,  
He followed the sounds to a **guild yard** of **dancers** and **faraway tunes**.

**Wheezy** set off on a quest he would choose,  
He followed the path to **mushrooms** and **dancing fae** who amuse.

## Rules:

Follow the clues to find each of the five Dragons. Have Mom, Dad or Guardian snap a picture of you and the found Dragon with their magical communication box (phone).

Post to the Book of Faces (or other Social Media sites)  
and hashtag your adventure portraits with #ORF.

Don't forget to stop for a special prize at the **INFORMATION Booth** when you have found them!

Parents are **REQUIRED** to follow along and monitor their child.

Any child found alone will be fed to the Trolls!
